

EASPD Webinar: Face-to-face services moving to on-line mode during COVID-19

Wednesday 24th June, 14h00 CEST, via Zoom

Context

The Coronavirus outbreak presents a major challenge to national, regional and local communities which are on the frontline in countering the disease. In the face of the COVID-19 virus support service providers are taking their own actions, to be able to continue to provide essential care & support services to those who need it most.

This webinar will discuss the challenges and opportunities of moving face to face support services like therapeutic sessions, one to one psychological support, into online mode, by answering the following questions:

- How to structure on-line sessions (length, agenda, providing confidentiality etc)?
- How to deal with procedural issues (security, data protection, procedures etc.)?
- What are the resources needed to implement online “face to face” services?
