

EASPD Policy Café on the Child Guarantee and the Green Paper on Ageing

12 April 2021, 14h CEST

Policy Café is EASPD's way to update its members on current developments in specific EU policies and to collect feedback from them. This feedback is used by the EASPD policy team when responding to EU initiatives on these policies.

In our next Policy Café we will address two new initiatives at European level:

- Firstly, the European Commission on the 24th March launched a proposal for the Child Guarantee.
- Secondly, the European Commission launched a consultation regarding the Green Paper on Ageing until the 21st of April.

We invite our members to participate to learn more about these two initiatives, how they can impact you but especially how we can contribute to the discussions at European level.

Please note that this consultation is for EASPD members only
