Policy Café is our new way to update EASPD members on current developments in specific EU policies and to collect feedback from them. This feedback is used by the EASPD policy team when responding to EU Consultations on these policies.

In our next Policy Café we will address the Action Plan for the European Pillar of Social Rights and the European Education Area. We invite our members to stop by at any point during the session to provide their feedback on either of these initiatives.

**Please note that this consultation is for EASPD members only**
