

PARTICIPANT INFORMATION SHEET

By clicking the boxes below, I understand that I am consenting to participate in the TRIPS project funded by the European Union's Horizon 2020 Research and Innovation Programme Under Grant Agreement no. 875588 and co-ordinated by the Technology University of Eindhoven (TUE). Should I have any queries or concerns about the research, I can contact:

Dr. Tally Hatzakis, Deputy Co-ordinator
Email: tally.hatzakis@trilateralresearch.com
Telephone: + 44 7950131940.

I am aware that the purpose of the activities in which I am participating is to take practical steps to address and pre-empt discrimination against disabled people in future mobility solutions by empowering them to play a central role in their design. I am participating in these activities voluntarily, and I am free to end my participation at any time during the survey.

I understand that my responses to the survey will be safely stored in accordance to European laws and best practices and deleted five years after the project funding comes to an end, according to Article 18 of the TRIPS Grant Agreement with the European Commission.

I understand that data will be collected anonymised, so that I am no longer identifiable. Collective data will be used as input to a project deliverable to be submitted to the Commission and, in some cases, that will be communicated, to be publicly available on the project website and in a public repository.

If I choose to provide the project team with my contact details, this personal information will be stored in separate files in a secure manner (including password protection where required). Under the General Data Protection Regulation 2016/679, the consortium, my personal information will be stored on internal servers, and accessible to only the partners involved in the TRIPS consortium. The project will not transfer my personal information to third parties (i.e., people outside the project).

For further information, email us [here](#).
